

AWS SIGNUP

AWS signup step by step process:

Open below URL to open AWS signup or login landing page.

<https://console.aws.amazon.com/>

A screenshot of a web browser showing the AWS console signup page. The browser's address bar displays 'https://console.aws.amazon.com/'. The page features the Amazon Web Services logo at the top. Below the logo, the heading 'Sign In or Create an AWS Account' is displayed in orange. Underneath, the text 'What is your email (phone for mobile accounts)?' is followed by 'E-mail or mobile number:'. A text input field contains the placeholder 'xxxxxx@xxx.com'. Two radio button options are presented: 'I am a new user.' (which is selected) and 'I am a returning user and my password is:'. Below these options is a password input field. A yellow button labeled 'Sign in using our secure server' with a right-pointing arrow is positioned below the password field. A blue arrow points to the 'I am a new user.' radio button, and another blue arrow points to the 'Sign in using our secure server' button. A blue link labeled 'Forgot your password?' is located at the bottom of the form area. A red arrow points to the browser's back button in the address bar.

Please fill your email address in the E-mail or mobile number box.

Select I am a new user as show in the above picture.

Click on **Sign in using our secure server**.

You will be displayed with the below screen.

Login Credentials

Use the form below to create login credentials that can be used for AWS as well as Amazon.com.

My name is:

My e-mail address is:

Type it again:

note: this is the e-mail address that we will use to contact you about your account

Enter a new password:

Type it again:

Enter your Name and email address and create a password.
Then click **Create account**.

You will be presented with below screen with Contact Information.

Contact Information

☐ Company Account ☒ **Personal Account**

* Required Fields

Full Name*

Country*

* If you select India, your country selection cannot be changed after creating the account

Address*

City*

State / Province or Region*

Postal Code*

Phone Number*

Select Personnel account, select your country from the drop down list, specify your contact information.

In the below you need to type the security check shown like below.

3. Identity verification complete

After answering the call from AWS type your code which shown on your browser.

Once confirmed you will get a page like below.

Identity Verification

You will be called immediately by an automated system and prompted to enter the PIN number provided.

1. Provide a telephone number ✓

2. Call in progress ✓

3. Identity verification complete

Your identity has been verified successfully

Continue to select your Support Plan

Click on **Continue to select your Support Plan**.

In the next page select Basic (Free) support plan and click **Continue**.

Support Plan

All customers receive free support. Choosing a paid support plan will allow you to receive one-on-one technical assistance from experienced engineers and access many other support features. Please see below.

All customers receive free Basic Support.

Basic Support

☒ **Basic (Free)**

Contact Customer Service for account and billing questions, receive help for resources that don't pass system health checks, and access the AWS Community Forums.

☐ **Developer (\$49/month)**

Get started on AWS - ask technical questions and get a response to your web case within 12 hours during local business hours.

☐ **Business (Starting at \$100/month - Pricing Example) - Recommended**

24/7/365 real-time assistance by phone and chat, a 1 hour response to web cases, and help with 3rd party software. Access AWS Trusted Advisor to increase performance, fault tolerance, security, and potentially save money. ⓘ

Continue

We have completed creating an account with AWS.

You will be presented with below screen then click **Launch Management Console**.

Welcome to Amazon Web Services

Thank you for creating an Amazon Web Services (AWS) Account. We are in the process of activating your account. For most customers, activation only takes a couple minutes, but it can sometimes take a few hours if additional account verification is required. We will notify you by email when your account is activated.

Launch Management Console

Contact Sales

Then in the next screen enter your email address which you have used for signup and select

I am a returning user and my password is:

Enter your password in the text field.

Then click on **Sign in using our secure server**.

Sign In or Create an AWS Account

What is your email (phone for mobile accounts)?

E-mail or mobile number:

XXXXXXXXXXXXXXXXXXXX

☐ I am a new user.

☒ I am a returning user and my password is:

●●●●●●●●●●
